Midnight Madness!

In appreciation for all the time and energy our studio parents put into bringing their kids to dance, have a night on us! (Your kids will love it too!)

Your child will receive a pizza dinner, movies, a Midnight Dance Class, a sleep over in the studio and a 9am pick up the next morning. And you will have peace and quiet for a full night!

This year, Christina Salgado (our former Modern teacher, Ms. Brittany's sister, and currently working at Julliard in NYC) will be teaching a dance class from 11:15pm-12:30am. Our students love her class and taking a class at 'midnight' is lots of fun.

9pm	Movie (PG/PG-13 rating, dancers may bring their own movies or use the ones I bring)
11:15-12:30am	Dance class with Ms. Christina
??am	Sleep in studio
9am Sunday	Pick up of kids at studio
Cost:	\$40 per child (billed to your account)
