I understand Dance Design School will video my child for the purposes of choosing a scholarship recipient. Any video taken at the audition, submitted written essay, or choreography will be viewed by a panel of judges for the purposes of the scholarship.

The success of any younger dancer is dependant on the support of his/her parents. While the student may have the passion, drive, talent, and desire to be successful in dance, parents must be able to lend support. Please consider carefully if you and your family will be able to help your child commit to the requirements of this scholarship before applying.

PHOTO RELEASE: I hereby grant permission to Dance Design School, Inc. to use my photograph on its Website or in other Dance Design School publication(s) without further consideration. I will make no monetary or other claim against Dance Design School, Inc. for the use of the photograph(s)/video. I also acknowledge Dance Design School, Inc. may choose not to use my photo at this time, but may do so at its own discretion at a later date.

WAIVER OF LIABILITY: I agree that I will not hold The Dance Design School, or any employee/teacher liable for injuries sustained or illness contracted while a student is at the class location.
